Crop Production Specialists

## Summer Horticultural Supplies

Hutchinsons has a comprehensive range of products to support growers at this busy time of year.

Whether you are investing in tree guards, knapsack sprayers or Tree Fix, Hutchinsons has what you need. We will be happy to help you with getting the right supplies and to discuss the best options for you.

### KNAPSACK SPRAYERS

Not every spraying job around the farm requires the full might of tractor and sprayer, sometimes you have something a little smaller to attend to. Cooper Pegler knapsacks are the ideal solution and with a range of accessories and spares to suit.

### PERSONAL PROTECTIVE EQUIPMENT

We stock a full range of personal protection equipment including neoprene suits, respirators with replacement filters, disposable face masks, type 3-4 and 5-6 coveralls and goggles.

### MAX TAPENER TYING MACHINE AND TAPE

The Tying Machine is the ideal way to secure and support your trees and plants.

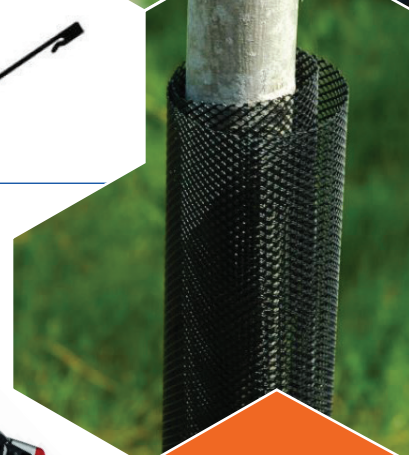

### TIES, CLIPS AND TREE BRANCH FORMERS

We have a full range of tree ties as well as Tree Fix in 6, 7, 8, 11, 16, 21, 23 and 30cm available from stock. We also carry fully biodegradable Amidograp clips, raspberry clips and tree branch formers.

### BLACK MESH TREE GUARDS

Our range of expanding tree guards are effective in protecting your trees. They help to maintain healthy trees during the early years.

### SNIPS, SCISSORS OR SECATEURS

Our vine snips are made in Japan of high-quality carbon steel to ensure long life and clean accurate cutting. We also have scissors from ARS and a range of Felco and Altuna secateurs.

**We have a full range of other Horticultural sundries to meet your equipment needs.**
