

HUTCHINSONS

Crop Production Specialists

Harvest Horticultural Supplies

Hutchinsons has a comprehensive range of products to support growers during the harvest period.

Whether you require fruit picking buckets, triplicate bin labels, apple grading rings or fruit net bags, Hutchinsons has what you need.

We will be happy to help you obtain the right supplies and to discuss the best options for you.

PICKING BUCKETS

Light aluminium picking bucket fitted with a comfortable strap and soft liner to reduce fruit damage. Available in two sizes, 20lb and 30lb.

FRUIT NET BAGS

Made of high quality, tight woven material to increase resistance to pressure. They hold 28lb and are fastened with a drawstring.

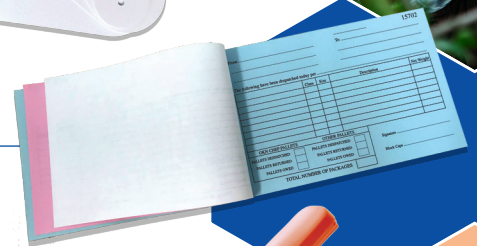

APPLE GRADING RINGS

A full range of apple grading rings from 25mm to 120mm. Whether you need 80mm for Bramley, 60mm for dessert fruit, or sizes in between, we can help you.

TRIPPLICATE BIN LABELS AND BOOKS

Triplicate bin labels and triplicate despatch books that print quick and clear copies of your records. The triplicate book contains colour coded originals and copies, and are ruled for keeping neat records.

HAMMER TACKERS AND STAPLERS

The Hammer Tacker staplers and staple guns are ideal for rapid fixing tasks. Robust and lightweight features with a high firing capacity before needing to reload make for efficient use. Both take 13 series staples.

FRUIT BIN COVERS AND BUBBLE BIN LINER

Pallet cover sheets and bulk bin bubble liner to keep your fruit protected once picked.

We have a full range of other Horticultural sundries to meet your equipment needs.
