

We welcome you to join us for our annual crop demonstration day

Seed experts **David Bouch** and **Stewart Macintyre** will be showcasing 30 leading winter wheat varieties, two wheat blends and 16 winter barley varieties

In addition:

- Seminars (11.00am, 1.00pm and 3.00pm) from farm business management and environmental advisors **Will Foyle** and **Matt Powell**: Rotational risk and stability – weighing up break crops and the SFI.
- Get to grips with **Omnia** digital farm management software, soil scanning and NEW EasyPlan upgrade
- Machinery suppliers and plant protection manufacturers
- FREE moisture meter calibration.

Reserve your place now!

Or to arrange an out of hours visit, please call 01325 489848 or book with your local DKB agronomist
